What are the natural food sources of black bears?

Get the answer by moving your cursor over the question.

What You Can Do

- Put garbage out on the morning of garbage day, and not the night before
- Do not leave pet food outdoors
- Thoroughly clean outdoor grills after use
- Fill bird feeders only through the winter months
- Do not put meat, fish or sweet food (including fruit) in your composter
- Keep meat scraps in the freezer until garbage pick-up day
- Pick all ripe fruit off trees, and remove vegetables and fallen fruit from the ground
- Use electric fencing to protect valuable trees, orchards, vegetable and berry patches
